

Resource Connection Day Volunteer Opportunities

Thank you so much for supporting Recovery Café's monthly Resource Connection Days! These are often held on the 3rd or 4th Friday of the month. In-person volunteers must wear a mask and practice social distancing. If you do not have a mask, the Café will provide one. Please note that Resource Days are held outside, so please dress accordingly for the weather!

If you are interested in any of these opportunities or have additional questions, please contact [Elizabeth Reilly](#) for more information.

- **Lunch/Goods Distribution:** Support our staff in handing out lunches, hygiene kits, clothing and supplies.
 - Commitment: 11:30a-2:30p at the Café
- **Coffee and Lemonade:** Resource Connection Days are that much more special when you can enjoy a delicious cup of lemonade on a hot day or coffee as we move into colder months! Volunteers will make and distribute to our Members.
 - Commitment: 11:30a-2:30p at Recovery Café
- **Clean Team:** Sanitization and regular wiping down of tables, pens, chairs, etc. is important now more than ever to keep our community healthy and safe. Volunteers regularly clean the resource tables outside, used pens, and shared spaces inside the Café throughout the day.
 - Commitment: 11:30a-2:30p at the Café
- **Cookies Baked with Love:** Bake homemade cookies to show our Members that they are loved! Please wrap or bag cookies individually (1-2 per bag). Cookies can be dropped off at the SODO Café the Wednesday or Thursday before the Resource Connection Day between 9a-2p.
 - Commitment: Please email us to let us know how many cookies you plan to make and when you plan to drop them off.
- **Encouraging Notes:** Write encouraging notes to hand out with lunches. Notes must be: generic (not to a specific person), non-religious, not in envelopes, and most importantly, loving! For example: "You are loved!" or "Wishing you health and safety." You may sign it with Recovery Café if you like. This is a great activity to include kids, grandchildren, etc. in--get creative!
